THE TANK FAMILY
MINNEAPOLIS

The Tank Goodness™ Story

We started baking these cookies when Sam, our oldest, was two. Ever since, when we visited friends, we brought cookies. If a neighbor had a bad day, we brought cookies. The cookies became part of who we are: “Look, here come Anne and Dennis. With more cookies.”

Later, after a particularly great vacation, we had one of those moments when we stopped and thought, should we just ditch everything and do something new, weird, borderline irresponsible? Our answer: YES! Our mission became clear: we must bring warm, fresh cookies to a world that sorely needs them.

Let us deliver Tank Goodness Cookies for a birthday, a client meeting, or because it’s Monday and you’re grouchy. Take a moment, enjoy, talk amongst yourselves, wipe some chocolate from your cheek. And allow yourself a long, heartfelt, “Yummmmm.”
